

# Executive Summary

**TOTALGAZ**

## Mission

**3Gas'** mission is to earn the lifetime loyalty of our customers by consistently formulating strategies and facilitating change by being systematically better, clarifying problems, controlling our quality and processes and to make incremental improvement.

## Long Range Vision

Our primary service will continue to be the company of first choice in Petroleum distribution solutions. Our primary market will include government, industrial, commercial and LPG trade groups. Our competitive position will be as a niche specialist and a corporation that can easily adapt to rapid changes in the marketplace.

As **3Gas** grows, one thing will never change: the values that influence, inform and inspire everything we do. There are values which drive us — as individuals and as a company and these include **People, Integrity, Results, Trust, Teamwork, Innovation & Balance**

## Our Core Values

## Objectives

The primary objectives of our organization are:

- To satisfy a market need that offers affordable & accessible Petroleum products.
- To develop a client base requiring team effort versus sole practitioner and to satisfy client requirements.
